

# HP-1B INSTRUCTION SHEET

|                   |                      |
|-------------------|----------------------|
| Cut off frequency | 300 Hz.              |
| Maximum output    | 1.2 Vrms at 7.5 Vdc. |
| Input impedance   | >100K.               |
| Output impedance  | 300 ohms             |
| Current drain     | .8 mA                |
