2005 Motorola Radio Products and Services Division Replacement Parts Availability Goal Statement; Product Cancellation Notice

It is the goal of the Radio Products and Services Division (RPSD) to normally have available replacement parts and depot services¹ for the cancelled products for Government & Enterprise Mobility Solutions (GEMS) two-way radios, or Mobile Devices (MD) paging and cellular products in accordance with the following schedule:

Product Type	Replacement Parts and Services Availability Goal from Date of Product Cancellation
Broadband/WiNS	3 years
Mobile/Portable Two-Way Radios	5 years
Two-Way Radio Fixed Equipment	7 years
Subscriber Pager Equipment	3 years
Paging Fixed Equipment	7 years
Mobile/Portable Data Equipment	5 years
Fixed Data Equipment	7 years
iDEN Subscriber Equipment	4.5 years
Minitor	5 years

For a list of cancelled Communication Products for which RPSD's Parts and Services Availability Goal Statement no longer applies, visit Motorola On-Line at <http://www.motorola.com/businessonline>. However, individual piece parts and select services may still be available. For availability, call our Motorola Radio Products and Services Division's Customer Service at 1-800-422-4210.

1. Depot services include Motorola's Radio Support Center, Infrastructure Depot Operation, Test Equipment Service Center and Federal Technical Center.

Radio Products and Services Division
1313 E. Algonquin Rd.
Schaumburg, IL 60196-1081
Phone: 1-800-422-4210

**Effective July 5, 2005
this Price and Availability List and policies
supersede all previous copies.**

All products sold by the Motorola Radio Products and Services Division are subject to the terms and conditions set forth in the General Information section hereof unless an officer of Motorola, Inc. agrees to a change in writing.

General Information

HOW TO USE THIS BOOK

1. Part Numbers

Part numbers are listed in alpha-numeric order followed by a brief description.

2. Delivery Codes

In an effort to identify those items more readily available and to give you a guide for delivery, we have included a delivery code on each item. 95% of items generally ordered are in stock and are available for immediate shipment with the exception of those items designated as Drop Ship direct from Supplier. Please Note: Due to variations in demands and availability from our suppliers, backorders do occur. The D/C (Delivery Code) column is correlated against usage rate and is intended to serve as a general guide to the standard delivery time to be expected when an item in this list is ordered. Always contact your Motorola representative if delivery time or allocation or quantity is critical. Delivery times indicated below are ARO (After Receipt of Order) at our Elgin, Illinois (USA) facility.

The codes are as follows:

A = Stock. Within 2 weeks if backorder occurs

B = Stock. Up to 3 weeks delivery

C = Stock. Up to 4 weeks delivery

D = Stock. Up to 6 weeks delivery on U.S. orders, up to 8 weeks on orders outside the U.S.

E = Non-stocked item, Delivery Time Varies

N = Item may be expedited upon request

T = Test equipment and Radio Service Software. Stock to 6 weeks for most items. For major items, such as service monitors, delivery as quoted

Blank = Delivery up to 12 weeks

In the case of ship complete orders, delivery time will be dependent upon the item with the longest procurement cycle. Therefore the order will not ship until all products are in stock. We encourage all orders to allow for at least one partial shipment because of this factor.

Unlisted Items

This list does not include all items available from RPSD. Price and availability information is available upon request by calling **1-800-422-4210** in the United States and Canada or 1-847-538-8023 outside of the U.S. and Canada. Item availability can also be found on our web site at <https://www.motorola.com/businessonline>.

3. Prices

All prices are listed in U.S. dollars.

4. Units of Measure and Pre-Packaging

It is important that the unit of measure is specified. Units can be found next to the unit price in the Price and Availability List.

For example, to order 15 units of part number 0484506K01 (which is supplied in packs of 5), simply write "3 packs of 0484506K01."

Legend:

EA = Each	PK/* = Pack
FT = Foot	QTU = Quart
LBU = Pound	PTU = Pint
GAU = Gallon	GU = Green
INU = Inch	RL = Reel

*number following letters indicates quantity per pack.

5. Quantity Pricing

The quantity pricing program enables you to receive the best price for your quantity purchases. You will qualify for quantity pricing without any forms to fill in, letters to write, or phone calls to make. The only criteria is to order quantities at or above the specific breakpoints indicated in the price book.

Quantity Pricing is another example of Motorola's continuing effort to provide you quality products at the best possible prices.

Your discounts for quantity purchases are clearly shown in this price book. Simply look up the part number you wish to order, and if a discount is offered for quantity purchases your price will be clearly identified.

General Information

HOW TO PLACE AN ORDER

Please contact Motorola at:

United States and Canada

Hours: 7:00 A.M.–7:00 P.M. CST/CDT, Mon-Fri.

Motorola Radio Products and Services Division
Attn: Order Processing
1307 East Algonquin Road, 1st Floor
Schaumburg, IL 60196

Fax: 1-800-622-6210

Internet: <https://www.motorola.com/businessonline>

United States Federal Government

Hours: 7:00 A.M.–5:00 P.M. CST/CDT, Mon-Fri.

Motorola
U.S. Federal Government Markets Division
7031 Columbia Gateway Dr.
Columbia, MD 21046

Telephone: 1-800-826-1913

Fax: 1-800-526-8641

All Other Locations Outside the United States

Hours: 8:00 A.M.–4:30 P.M. CST/CDT, Mon-Fri.

Motorola Radio Products and Services Division
Attn: International Order Processing
1307 East Algonquin Road, 1st Floor
Schaumburg, IL 60196

Telephone: 847-538-8023

Fax: 847-576-3023

Internet: <https://www.motorola.com/businessonline>

EMERGENCY ORDERS

Emergency orders can be placed anytime day or night, including weekends. This special service, called S.O.S., is provided for customers who are repairing equipment destroyed in natural disasters and other hardship cases. All items ordered through our S.O.S. help line will be shipped via FEDEX Priority 1 or via air freight priority service.

During business hours call **1-800-422-4210**

No S.O.S. weekend service is available to customers outside the United States.

MAIL AND FAX ORDERING INSTRUCTIONS

Mail and fax orders should include the following:

1. Signed original purchase order
2. Motorola 10-digit customer number, complete bill to address
3. Complete sold to address
4. Complete ship to address
5. Shipping terms/instructions
6. Terms of payment (if applicable)
7. Quantities and correct units of measure
8. Motorola part number (frequency or code required for crystals)
9. Partial or complete shipment specified (shipped partial unless complete requested). Crystal orders are shipped complete.
10. Credit card orders should include card number and expiration date, not applicable to orders outside the U.S.
11. Purchase order number

Orders from outside the U.S. must also include the following:

1. Proper Documentation, i.e. Letter of Credit, Import Permit
2. Type of Packing Desired (export or domestic)
3. Country of Ultimate Destination

SAME DAY SHIPPING

In the United States, faxed orders received by 4:00 P.M. CST/CDT, Mon-Fri. will be shipped the same day; orders called-in at 1-800-422-4210 by 6:00 P.M. CST/CDT, Mon-Fri. will be shipped the same day.

PURCHASE ORDER NUMBER

Orders from outside the U.S. must also include the following:

1. Proper Documentation, i.e. Letter of Credit, Import Permit
2. Type of Packing Desired (export or domestic)
3. Country of Ultimate Destination

MOTOROLA ONLINE

Alternative to calling or faxing in your order.

- Full online parts and accessories catalog
- Construct quotes and orders at your price level
- Save and reference past orders for quick reordering
- Check status of orders online – including proof of delivery
- Check status of your account and view invoices online
- Ability to 'Contact Us' electronically for customer service inquiries and requests
- MasterCard and Visa accepted

Place your order 7 days a week, 24 hours a day. Receive acknowledgement that the right items were ordered and are in stock, and print a copy for your records.

Sign up at:

<https://businessonline.motorola.com>

Select "Sign Up Now"; fill out the user registration and press 'submit'. Once your account has been activated a customer service representative will contact you within 48 hours.

General Information

CUSTOMER SERVICE INFORMATION

Customer Service

If questions arise on back orders, order/billing discrepancies, or return authorizations, call:

In the U.S. and Canada:
1-800-422-4210 (7:00 a.m.–7:00 p.m. CST/CDT, Mon-Fri.)

Outside the U.S.:
1-847-538-8023 (8:00 a.m.–4:30 p.m. CST/CDT, Mon-Fri.)
 or Fax: 1-847-576-3023

U.S. Federal Government:
1-800-826-1913 (7:00 a.m.–5:00 p.m. CST/CDT, Mon-Fri.)

Radio Products and Services Division's Parts Identification

For assistance in identifying unknown part numbers for Motorola Two-Way Radio, iDEN, Pager, Cellular, Site and Test Equipment Products, call RPSD's Parts Identification Department at 1-800-422-4210, between 7:00 a.m. and 7:00 p.m. CST/CDT, Mon-Fri.

In the U.S., if you know the part number you are looking for, but cannot locate it in this Price and Availability List, please call our Customer Service Department at 1-800-422-4210 between 7:00 a.m. and 7:00 p.m. CST/CDT, Mon-Fri.

Identification of Manual Numbers

The Price and Availability List does not identify Service Manuals by radio model due to space limitations. If you would like assistance in identifying the proper manual number for your Motorola unit, visit us at www.motorola.com/businessonline or contact RPSD's Parts Identification. The phone number is 1-800-422-4210. The fax number is 1-800-622-6210.

Order Discrepancies/Returns

If questions arise on order discrepancies and for return authorization call:

In the U.S.: 1-800-422-4210
 Outside the U.S.: 847-538-8023 or
 Fax: 847-576-3023
 U.S. Federal Government: 1-800-826-1913

Any order discrepancy must be brought to our attention within ten (10) days of shipment, sixty (60) days on orders outside the U.S. Authorization must be acquired from RPSD prior to return of any material.

Returns from outside the U.S. require form ERA (Equipment Return Authorization) which must be obtained before any return of goods.

The authorization number must be visible on the outside of your package. Mark all packages "Attn: Return Goods". Motorola RPSD offers free freight on returns by providing prepaid and preaddressed labels, which are e-mailed, faxed or mailed at the time of the ERA request.

A tracking number is placed on the label for reference to each individual ERA request. It is important to maintain records of the tracking number until credit has been issued by Motorola. Except for crystals and other specific items, Motorola Radio Products and Services Division will accept the return of new and unused Motorola products in their original packaging material within 45 calendar days of the original shipment of the product.

After 45 calendar days, a 20% restocking fee will be assessed. Restocking fees for tower hardware, site equipment and test sta-

tions will be applied per the individual supplier's policy set forth in the supplier's terms and conditions accompanying product packing slip, and products ordered to a specific frequency or code may not be returnable. **Note: The 20% restocking fee applies to returns of new and unused computer and computer peripheral products, and no returns of computers or peripherals will be accepted beyond 45 days.** After 90 days, no returns of new, unused equipment (tower, site and test equipment included) will be accepted by Motorola.

Crystal service items may not be returned unless they are under warranty. Defective crystals will be replaced with identical crystals. To obtain credit a return authorization must be requested by contacting RPSD. The product must be delivered, transportation prepaid to:

Motorola Radio Products and Services Division
Attn: Return Goods
2222 Galvin Drive
Elgin, Illinois 60123

Returned goods credits will be issued against MasterCard/Visa card number if used on original order. Motorola is not responsible for credit limits and bank serviced/ interest fees charged on the unpaid balance of any credit card account.

Motorola may provide product replacements for ordered parts and accessories for currently manufactured radios as long as the replaced item is the same or better technology and sold at the same price. The invoice will reflect either the actual product shipped or the product ordered and no order modification is required.

When replacement parts and accessories are needed for radio products no longer being manufactured, Motorola cannot guarantee that an equivalent or better part or accessory will always be available or that the replacement item found can be sold at the same price.

Motorola reserves the right to cancel the ordered items without penalty if the ordered item is no longer available or if Motorola offers the item at a higher price and mutual agreement on price cannot be reached.

To effect administrative savings to the Government, Finance Offices are instructed to make payments in accordance with this paragraph without requiring an order modification for replacement products sold at the same price.

Terms And Conditions

DEFINITIONS

"Motorola" shall mean the Radio Products Service Division of the Government and Enterprise Mobility Solutions (GEMS) sector of Motorola, Inc. "Customer" shall mean the customer who purchases Products from Motorola. "Products" shall collectively mean the Replacement Parts, Batteries, Accessories, Test & Site Equipment, and Software ordered by the Customer from the Motorola Customer Care and Services Division's then current Price and Availability List ("Price and Availability List").

CONFIRMING ORDERS

If Customer chooses to send in a confirming order, the confirming order should be clearly marked "confirming". Motorola is not responsible for duplicate shipments sent out if the reason for the duplicate shipment was that a confirming order was not marked "confirming". If a confirming order differs in any way from the original order, the original order takes precedence.

PRICING AND TAXES

The prices for Products are located in the Price and Availability List and are subject to change without notice. Current Pricing and Availability can be found at www.motorola.com/businessonline. Orders will be charged at prices in effect the day an order is entered by Motorola. Special Pricing may be available for particular opportunities, contact your local account manager or area distribution manager to determine applicability. Programs, promotions, quoted or contract prices supersede the prices in the then current Price and Availability List, provided the quotation or the contract is current at the time the order is entered.

Customer will be invoiced upon shipment. The prices set forth are exclusive of any Federal, State and/or Local excise, sales, use, property, retailer's occupation or similar taxes, fees or assessments. If any such excluded tax is determined to be applicable or if Motorola is required to pay any such tax, fee or assessment, the prices set forth in the then current Price and Availability List shall be increased by the amount of such tax and any interest or penalty incurred, and Customer shall pay to Motorola the full amount of any such increase no later than ten (10) days after receipt of an invoice therefore.

SHIPPING, DELIVERY, TITLE AND SECURITY

Delivery, Title and Security Shipping and handling charges shall be paid by the Customer. Customer agrees to pay such amount quoted without regard to the actual charges applicable at the time of shipment. Motorola will ship only to Customer's facility or the facility of one of Customer's affiliates. Motorola will not drop ship to third parties at the request of a Customer. Unless otherwise directed by the Customer, all shipments will be routed via United Parcel Service or common carrier depending on weight and size.

Emergency shipments will be routed by air or by the fastest method with consideration given to weight and size limitations and will be subject to an additional shipping fee. Shipments outside of the U.S. will be routed by air. Unless otherwise agreed to by Motorola, all deliveries are F.O.B. Factory shipping facility(ies) or F.O.B. destinations for state and local government entities and title and risk of loss to Products sold shall pass to Customer at the F.O.B. point. Shipping or delivery dates are best estimates only.

Motorola reserves the right to make deliveries in installments and these terms and conditions shall be severable as to such installments. Delivery delay or default of any installment shall not relieve Customer of its obligation to accept and pay for remaining deliveries. Claims for shipments shortages shall be deemed

waived unless presented to Motorola in writing within forty-five (45) days of delivery of each shipment. Customer hereby grants to Motorola as security for all of Customer's obligations to Motorola, of any kind whatsoever, now or hereafter arising from this agreement or any other agreement with Motorola, a first priority security interest in all Products to which Customer has or will acquire title hereunder, together with all contract rights, accounts, chattel paper and general intangibles relating thereto and all proceeds resulting therefrom.

Upon request, Customer agrees to cooperate in whatever manner necessary to assist Motorola in perfection of said security interest. Furthermore, Customer hereby irrevocable appoints Motorola as its attorney-in-fact to take any action and to execute any instrument which Motorola may deem necessary or advisable to accomplish the foregoing. Such power of attorney is coupled with an interest. Motorola has no obligation for payments of any applicable foreign import duties.

PAYMENT

The Customer shall make net payment to Motorola in accordance with the terms stated herein by mail to Motorola at P.O. Box 93042, Chicago, Illinois 60673-3042 or at such other place as Motorola may designate in writing or as reflected on an invoice.

Payment shall be made in ten (10) days after the date of invoice for each product, accessory, or other charge, unless otherwise agreed to in writing. Service charges at the maximum rate permitted by applicable law may be invoiced on accounts more than thirty (30) days past due and shall be due and payable upon receipt of invoice.

All payments made by Customer to Motorola in connection with this agreement or any other agreement with Motorola shall applied by Motorola, in its sole discretion, to such obligations or liabilities (whether arising under this agreement or any other agreement with Motorola) as Motorola shall direct.

PATENT, COPYRIGHT AND TRADEMARKS

A. Indemnification

Motorola agrees to defend, at its expense, any suits brought against Customer to the extent such suit is based upon a claim that any Motorola manufactured Product furnished hereunder directly infringe a valid U.S. patent or copyright and to pay costs and damages finally awarded in any such suit (from which no appeal may be taken) against Customer that such Product does infringe, provided that Motorola is notified promptly in writing of the suit and at Motorola's request and at its expense is given control of said suit and all requested assistance for defense of same, including all appeals thereof.

If the use or sale of any such Product(s) furnished hereunder is enjoined as a result of such suit, Motorola, at its option and at no expense to Customer, shall exert reasonable efforts to obtain for Customer the right to use or sell such Product(s) or shall substitute an equivalent Product reasonably acceptable to Customer and extend this indemnity thereto or shall accept the return of such Product(s) and reimburse Customer the purchase price therefore, less a reasonable charge for reasonable wear and tear. This indemnity does not extend to any suit based upon any infringement or alleged infringement of any patent or copyright by the combination of any such Product(s) furnished hereunder and other elements not furnished by Motorola nor does it extend to any such Product(s) of Customer's design or formula, nor does it extend to any Product(s) that are modified, changed or altered. The foregoing states the entire liability of Motorola for patent copyright infringement, and other intellectual property rights,

Terms And Conditions

whether direct or contributory, and is in lieu of all warranties, express, implied or statutory in regard thereto, including without limitation, the warranty against infringement specified in the Uniform Commercial Code.

IN NO EVENT SHALL MOTOROLA BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING FROM INFRINGEMENT OR ALLEGED INFRINGEMENT OF PATENTS, COPYRIGHTS, OR OTHER INTELLECTUAL PROPERTY RIGHTS.

B. Copyrights and Mask Works

Works Laws in the United States and other countries preserve for Motorola certain exclusive rights, in the Motorola Software, mask works and other works of authorship furnished hereunder including without limitation the exclusive rights to prepare works derived from same, reproduce same in copies and distribute copies of same.

C. Logos and Trademarks

- 1) The Products shipped under the terms and conditions hereof will carry Motorola's logo or such other logo as expressly agreed to by Motorola.
- 2) In order that Motorola may protect and preserve its trademarks, trade names, corporate slogans, corporate logo, goodwill and Product designations, Customer, without the express written consent of Motorola, shall have no right to use any such marks, names, slogans or designations of Motorola in the sale, lease or advertising of any Products or on any Product, Product container, component part, business forms, sales, advertising and promotional materials or other business supplies or materials, whether in writing, orally or otherwise.

D. License Disclaimer

Except for the right to use the Motorola Software and Product for the purposes provided herein which arises by operation of law and except as expressly provided herein, nothing contained herein, or otherwise shall be deemed to grant to Customer either directly or by implication, estoppel or otherwise, any license or right under any patents, copyrights, trademarks or trade secrets of Motorola or any third party.

EXCUSABLE DELAY

In addition to other limitations on liability set forth herein, Motorola shall not be liable for any delay or failure to perform due to any cause beyond its control, or any of Motorola's suppliers, agents or subcontractors. Causes include, but are not limited to, strikes, war, acts of God, acts of the Customer, interruptions of transportation or inability to obtain necessary labor, materials or facilities, default of any supplier, judicial action, any act of government or any agency or subdivision thereof, including delays in FCC frequency authorization or license grant. In the event Motorola is unable to wholly or partially perform because of any cause beyond its control, Motorola may terminate any order without any liability to Customer.

LIMITATIONS

- A. EXCEPT FOR PERSONAL INJURY MOTOROLA'S TOTAL LIABILITY ARISING OUT OF OR RELATED TO PURCHASE OF PRODUCTS, WHETHER FOR BREACH OF CONTRACT, WAR-

RANTY, MOTOROLA'S NEGLIGENCE, STRICT LIABILITY IN TORT OR OTHERWISE, IS LIMITED TO THE PRICE OF THE PARTICULAR PRODUCTS SOLD HEREUNDER WITH RESPECT TO WHICH LOSSES OR DAMAGES ARE CLAIMED. CUSTOMER'S SOLE REMEDY IS TO REQUEST MOTOROLA AT MOTOROLA'S OPTION TO EITHER REFUND THE PURCHASE PRICE OR REPAIR OR REPLACE PRODUCTS THAT ARE NOT AS WARRANTED. IN NO EVENT, WHETHER FOR BREACH OF CONTRACT, WARRANTY, MOTOROLA'S NEGLIGENCE, STRICT LIABILITY IN TORT, OR OTHERWISE, WILL MOTOROLA BE LIABLE FOR INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, FRUSTRATION OF ECONOMIC OR BUSINESS EXPECTATIONS, LOSS OF PROFITS, LOSS OF DATA, COST OF CAPITAL, COST OF SUBSTITUTE PRODUCT(S), FACILITIES OR SERVICES, DOWNTIME COST OR ANY CLAIM AGAINST CUSTOMER BY ANY OTHER PARTY.

- B. IT IS FURTHER UNDERSTOOD THAT MOTOROLA IS NOT AN INSURER AND THAT CUSTOMER WILL OBTAIN ALL INSURANCE, IF ANY, THAT IS DESIRED AND THAT MOTOROLA DOES NOT REPRESENT OR WARRANT THAT MOTOROLA PRODUCTS WILL AVERT OR PREVENT OCCURRENCES, OR THE CONSEQUENCES THEREFROM, WHICH ARE MONITORED, DETECTED OR CONTROLLED WITH USE OF THE PRODUCTS.
- C. TIME TO SUE. EXCEPT FOR MONEY DUE UPON AN OPEN ACCOUNT, NO ACTION SHALL BE BROUGHT FOR ANY BREACH OF A CONTRACT TO PURCHASE PRODUCTS MORE THAN TWO (2) YEARS AFTER THE ACCRUAL OF SUCH CAUSE OF ACTION EXCEPT WHERE A SHORTER LIMITATION PERIOD IS PROVIDED BY APPLICABLE LAW.
- D. EXCEPT FOR MONEY DUE UPON AN OPEN ACCOUNT, NO ACTION SHALL BE BROUGHT FOR ANY BREACH OF A CONTRACT TO PURCHASE PRODUCTS MORE THAN TWO (2) YEARS AFTER THE ACCRUAL OF SUCH CAUSE OF ACTION EXCEPT WHERE A SHORTER LIMITATION PERIOD IS PROVIDED BY APPLICABLE LAW.
- E. WARRANTIES. IN ANOTHER SECTION OF THE PRICE AND AVAILABILITY LIST, MOTOROLA HAS PROVIDED CUSTOMER WITH ITS PRODUCT WARRANTY AND, IF APPLICABLE, ITS SOFTWARE LICENSE, WHICH WARRANTY AND LICENSE, TO THE EXTENT APPLICABLE, ARE INCORPORATED INTO AND MADE A PART OF THESE TERMS AND CONDITIONS. THIS WARRANTY IS GIVEN IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED WHICH ARE SPECIFICALLY EXCLUDED, INCLUDING, WITHOUT LIMITATION, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. CUSTOMER HEREBY ACKNOWLEDGES RECEIPT OF SUCH WARRANTIES AND LICENSE.

PRODUCT EQUIPMENT COMPATIBILITY

Motorola agrees that the Product supplied herein shall perform in accordance with the published specifications set forth in Motorola's catalogue sheets. This does not extend to the performance of the Product as a part of a larger system generally nor specifically to the Product in combination with products, elements or components not supplied by Motorola.

Terms And Conditions

SALES TO GOVERNMENTAL ENTITIES

- A. In the event that Customer elects to resell Products to a Governmental Entity, or to a prime contractor selling to a Governmental Entity, Customer does so solely at its own option and risk and agrees not to obligate Motorola as sub-contractor or otherwise to such Governmental Entity. A "Governmental Entity" is any department, agency or instrumentality of the U.S. Federal Government, any state, county, municipal, or local government in the U.S. (including the District of Columbia and U.S. Territories), or any non-U.S. government. If Customer transacts such sales, Customer is solely and exclusively responsible for compliance with all laws, regulations, and provisions governing sales to any Governmental Entity. Motorola makes no representations, certifications or warranties whatsoever other than those expressly stated in the Agreement, and in particular makes none with respect to the ability of its Products, services, or prices to satisfy any laws, regulations, or provisions governing or relating to sales to any Governmental Entity, including but not limited to place of product origin, manufacture, and/or assembly (e.g. Buy American Act or Trade Agreements Act); contracting with small, minority or diversity suppliers; payment of prevailing wages; or price guarantees and commitments.
- B. In the event that Customer is a Governmental Entity, Customer agrees to promptly advise Motorola of any governmental laws, ordinances, regulations, or terms and conditions of sale that may be applicable to the sale. Customer's offer is conditioned upon such notice and upon Motorola's acceptance, in writing, of any such special governmental requirements.

ACCESS TO RECORDS AND FACILITIES

Motorola reserves the right to control access to its facilities and records along with those of its subcontractors and suppliers. Such control must include the right to deny access to those facilities and records deemed to be confidential or proprietary.

COMPLIANCE WITH LAW

Customer shall at all times comply with applicable U.S. federal, state and local laws, rules and regulations and the laws, rules and regulations of Customer's country, and with the highest commercial standards. Additionally, Customer must comply with all applicable export and reexport laws and regulations of Customer's country and the U.S.A. The Exporting and reexporting of Products from the U.S.A. is subject to the U.S. Department of State Munitions Control regulations and U.S. Department of Commerce regulations. Certain of Motorola's communications products are controlled products and require special licensing. Specifically, but without limitation, Customer agrees that it will not resell or reexport licenses from the United States Government or other applicable licensing body. If, at the time or times of Motorola's performance hereunder, a validated export license is required to lawfully export any parts or associated technical data or software, then the issuance of such license to Motorola constitutes a condition precedent to Motorola's obligations hereunder.

Additional Terms and Conditions for International Transactions Customer bears all charges of whatever nature imposed at the time of or after delivery of the Products to the carrier at the F.O.B. point, including, but not limited to, freight, taxes, consular fees and custom duties. After delivery to the carrier at the F.O.B. point, Customer bears all risk of loss or damage to the Products.

Unless otherwise agreed to in writing by Motorola, payment to Motorola shall be in U.S. currency available in Schaumburg; Illinois, U.S.A., in advance of shipment or by a confirmed, irrevocable letter of credit acceptable to Motorola. Customer shall comply with all applicable export laws and regulations of Customer's country and the U.S.A. Specifically, but without limitation, Customer agrees that it will not resell or reexport any Motorola Products or associated software or technical data in any form without obtaining appropriate export or reexport licenses from the United States Government or other applicable licensing body.

If, at the time or times of Motorola's performance hereunder, a validated export license is required to lawfully export any parts or associated technical data or software, then the issuance of such license to Motorola shall constitute a condition precedent to Motorola's obligations hereunder. Customer shall effect or secure at its own cost all governmental permits, licenses and registrations required in connection with the importation into and any resale of the goods in Customer's country and comply with all other applicable laws and regulations.

Motorola will not do business with any customer where Motorola reasonably knows or suspects such customer has engaged in legally questionable or unethical practices. Customer agrees to comply with this Motorola policy.

HEREUNDER SHALL BE GOVERNED BY AND INTERPRETED ACCORDING TO THE LAWS OF THE STATE OF ILLINOIS, U.S.A. EXCLUDING APPLICATION OF THE U.N. CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALES OF GOODS (1980).

GENERAL

- (A) Customer acknowledges that it has read and understands the terms and conditions herein and agrees to be bound by them, that it is the complete and conclusive statement of the parties and understanding between the parties relating to the subject matter hereof and all understanding and agreements, oral and written, heretofore made between Motorola and Customer, are merged in this agreement which alone fully and completely expresses their agreement.
- (B) No modification of or additions to these terms and conditions shall be binding upon Motorola unless such modification is in writing and signed by an officer of Motorola.
- (C) If any term or provision of these terms and conditions is held by a court or other tribunal to be invalid, void, unenforceable, then that term or provision shall be inoperative and insofar as it is in conflict with law, but the remaining terms and provisions shall nevertheless continue in full force and effect and the rights and obligations of the parties shall be construed and enforced as if these terms and conditions did not contain the particular term or provision held to be invalid, void or unenforceable.
- (D) Section and paragraph headings used herein are for convenience only and are not to be deemed or construed to be part of these terms and conditions.
- (E) The failure of Motorola to insist, in any one or more instances, upon the performances of any of the terms, covenant or conditions of these terms and conditions, or to exercise any right herein, shall not be construed as a waiver or relinquishment of the future performance of any such term, covenant or condition or the future exercise of such right, but the obligation of the Customer with respect to such future performance will continue in full force and effect.
- (F) THESE TERMS AND CONDITIONS AND THE RIGHTS AND DUTIES OF THE PARTIES WILL BE GOVERNED AND INTERPRETED IN ACCORDANCE WITH THE LAWS OF THE STATE OF ILLINOIS.

Warranty Information

WARRANTY INFORMATION

This warranty applies within the fifty (50) United States, the District of Columbia and Canada.

LIMITED WARRANTY FOR RADIO PRODUCTS AND SERVICES DIVISION ("RPSD") PRODUCTS LISTED IN THE PRICE AND AVAILABILITY LIST

I. WHAT THIS WARRANTY COVERS AND FOR HOW LONG:

A. RPSD Products Other Than Batteries:

The Radio Products and Services Division of Government and Enterprise Mobility Solutions sector (GEMS) of Motorola, Inc. or, if applicable, Motorola Canada Limited ("Motorola") warrants the Motorola manufactured and supplied radio communications product, including original equipment crystal devices and channel elements ("Product"), against material defects in material and workmanship under normal use and service for a period of one (1) year from the date of shipment. When the purchaser timely and rightfully rejects nonconforming Products, Motorola, at its option, will at no charge either repair the Product (with new or reconditioned parts), replace it with the same or equivalent Product (using new or reconditioned Product), or refund the purchase price of the Product during the warranty period provided purchaser notifies Motorola according to the terms of this warranty. Repaired or replaced Product is warranted for the balance of the original applicable warranty period. All replaced parts of the Product shall become the property of Motorola.

This express limited warranty is extended by Motorola to the original end user purchaser purchasing the Product for purposes of leasing or for commercial, industrial, or governmental use only, and is not assignable or transferable to any other party. This is the complete and exclusive warranty for the Product manufactured and supplied by Motorola. Motorola assumes no obligations or liability for additions or modifications to this warranty unless made in writing and signed by an officer of Motorola. Unless made in a separate written agreement between Motorola and the original end user purchaser, Motorola does not warrant the installation, maintenance or service of the Product.

Motorola is not responsible in any way for any ancillary equipment not furnished by Motorola which is attached to or used in connection with the Product, or for operation of the Product with any ancillary equipment, and all such equipment is expressly excluded from this warranty. Because each system, which may use the Product, is unique, Motorola disclaims liability for range, coverage, or operation of the system as a whole under this warranty.

B. RPSD Two-Way Rechargeable Batteries: Capacity and Workmanship Warranty

MOTOROLA INC. ("MOTOROLA") warrants the Motorola manufactured and supplied two-way radio batteries listed below ("Battery") as follows. Batteries will be replaced (with new or reconditioned parts) during the applicable Warranty Period if the Battery capacity falls below 80% of rated capacity unless otherwise noted. For the workmanship defects listed below Motorola warrants against defects in workmanship under normal use and service for a period of time from the date of manufacture* as scheduled below ("Warranty Period"):

Capacity/Product	Workmanship Warranty
Motorola Manufactured	24 month capacity/
NiCd impres™ Batteries	24 month workmanship
Motorola Manufactured	18 month capacity/
NiMH impres™ Batteries	24 month workmanship

Motorola Manufactured	18 month capacity/
Li-ion impres™ Batteries	24 month workmanship
Motorola Manufactured	18 month capacity/
NiCd Premium Batteries	24 month workmanship
Motorola Manufactured	12 month capacity/
NiMH and Li-ion Batteries	24 month workmanship
Motorola Manufactured	12 month capacity/
NiCd, NiMH Power Batteries	12 month workmanship
MAGONE Competitive	12 month capacity/
Batteries (all manufacturers)	12 month workmanship

Exceptions

The Motorola NiMH NTN7396AR prismatic battery is warranted for six (6) months capacity and twenty-four (24) months workmanship from the date of manufacture.

XTS3500 mAh NiMH RNN4006AR, RNN4007AR 70% to minimum (3000 mAh) for 12 months and has a 24 month workmanship warranty.

NiCd impres™ Batteries when used with an impres™ charger qualify for a 24 month capacity and 24 month workmanship warranty.

NiCd impres™ Batteries used with a non-impres charger are warranted for an 18 month capacity and a 24 month workmanship warranty replacement.

impres™ NiMH/Li-ion used with a non impres™ charger is warranted for a 12 month capacity and 24 month workmanship warranty.

*Date of manufacture is determined by the date code shown on the Battery.

A Battery will be replaced during the applicable Workmanship Warranty Period if:

- 1.) the Battery develops leakage;
- 2.) the Battery clip breaks due to poor workmanship
- 3.) the Battery's seam welds open; or
- 4.) the Battery has contact problems with either the applicable two-way radio or battery charger due to misalignment or plastic residue blocking the Battery's contacts. Replacement batteries are warranted for the balance of the original applicable Warranty Period.

Motorola, at its option, will replace the Battery (with new or reconditioned parts) at no charge during the applicable Warranty Period provided it is returned in accordance with the terms of this warranty. This warranty is extended by Motorola to the original end user purchaser only and is not assignable or transferable to any other party. This is the complete and exclusive warranty for the Battery manufactured and supplied by Motorola. Motorola assumes no obligations or liability for additions or modifications to this warranty unless made in writing and signed by an officer of Motorola. Motorola is not responsible in any way for any ancillary equipment not furnished by Motorola which is attached to or used in connection with the Battery, or for operation of the Battery with any ancillary equipment, and all such equipment is expressly excluded from this warranty. For battery recycling information please call 1-800-422-4210 for details and request your RBRC shipper ID registration form.

C. Cellular and iDEN Phone Batteries:

1. 12 Month Limited Warranty:

Motorola warrants the Motorola manufactured and supplied cellular and iDEN batteries listed ("Cellular Battery") against defects in material and workmanship under normal use and service for a period of time from the date of manufacture* as schedule shows ("Warranty Period"):

Warranty Information

Product	Workmanship Warranty
Manufactured NiCd Batteries	Twelve (12) Months
Motorola Manufactured NiMH Batteries	Twelve (12) Months
Motorola Manufactured Li-ion Batteries	Twelve (12) Months

2. 12 Month Workmanship Warranty:

For the workmanship defects listed below, Motorola warrants against defects in workmanship under normal use and service for a period of time from the date of manufacture* as scheduled below ("Warranty Period"):

Product	Warranty Period Motorola
Manufactured NiCd Batteries	Twelve (12) Months
Motorola Manufactured NiMH Batteries	Twelve (12) Months
Motorola Manufactured Li-ion Batteries	Twelve (12) Months

* Date of manufacture is determined by the date code shown on the Cellular Battery

A Cellular Battery will be replaced during the applicable 12 Month Workmanship Warranty Period if:

- 1.) the Cellular Battery develops leakage;
- 2.) the Cellular Battery clip breaks due to poor workmanship
- 3.) the Cellular Battery seam welds open; or
- 4.) the Cellular Battery has contact problems with either the applicable two-way radio or battery charger due to misalignment or plastic residue blocking the battery's contacts. Motorola, at its option, will replace the Cellular Battery (with new or reconditioned parts) at no charge during the applicable warranty period provided it is returned in accordance with the terms of this warranty. Replacement batteries are warranted for the balance of the original applicable warranty period.

This express limited 12 month warranty is extended by Motorola to the original end user purchaser only and is not assignable or transferable to any other party. This is the complete warranty for the Cellular Battery manufactured and supplied by Motorola. Motorola assumes no obligations or liability for additions or modifications to this warranty unless made in writing and signed by an officer of Motorola. Motorola is not responsible in any way for any ancillary equipment not furnished by Motorola which is attached to or used in connection with the Cellular Battery, or for operation of the Cellular Battery with any ancillary equipment, and all such equipment is expressly excluded from this warranty.

II. GENERAL PROVISIONS:

This warranty sets forth the full extent of Motorola's responsibilities regarding the Product, Battery and Cellular Battery. Repair, replacement or refund of the purchase price, at Motorola's option, is the exclusive remedy. THIS WARRANTY IS GIVEN IN LIEU OF ALL OTHER EXPRESS WARRANTIES. MOTOROLA DISCLAIMS ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE AND ANY OTHER IMPLIED WARRANTY OBLIGATION ON THE PART OF MOTOROLA. IN NO EVENT SHALL MOTOROLA BE LIABLE FOR DAMAGES IN EXCESS OF THE PURCHASE PRICE OF THE PRODUCT ACTUALLY RECEIVED BY MOTOROLA FROM PURCHASER, OR FOR ANY LOSS OF USE, LOSS OF TIME, LOSS OF GOODWILL, INCONVENIENCE, COMMERCIAL LOSS, LOST PROFITS OR SAVINGS OR OTHER INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE SUCH PRODUCT, TO THE FULL EXTENT SUCH MAY BE DISCLAIMED BY LAW.

III. HOW TO GET WARRANTY SERVICE:

Purchaser must notify Motorola's representative or call RPSD at 1-800-422-4210 within the applicable warranty period for information regarding warranty service.

IV. WHAT THIS WARRANTY DOES NOT COVER:

- A) Defects or damage resulting from use of the Product, Battery, or Cellular Battery in other than its normal and customary manner.
- B) Defects or damage from misuse, accident, water, or neglect.
- C) Defects or damage from improper testing, operation, maintenance, installation, alteration, modification, or adjustment.
- D) Breakage or damage to antennas unless caused directly by defects in material workmanship.
- E) A Product, Battery, or Cellular Battery subjected to unauthorized modifications, disassemblies or repairs (including, without limitation, the addition to the Product, Battery, or Cellular Battery of non-Motorola supplied equipment) which adversely affects performance of the Product, Battery, or Cellular Battery or interferes with Motorola's normal warranty inspection and testing of the Product, Battery, or Cellular Battery to verify any warranty claim.
- F) Product, Battery, or Cellular Battery which has had the serial number removed or made illegible.
- G) Freight costs to the repair depot.
- H) A Product, Battery, or Cellular Battery which, due to illegal or unauthorized alteration of the software/firmware, does not function in accordance with Motorola's published specifications or with the FCC type acceptance labeling in effect for the Product, Battery or Cellular Battery at the time the Product, Battery, or Cellular Battery was initially distributed from Motorola.
- I) Scratches or other cosmetic damage to surfaces that does not affect the operation of the Product, Battery or Cellular Battery.
- J) That the software in the Product, Battery or Cellular Battery will meet the purchaser's requirements or that the operation of the software will be uninterrupted or error-free.
- K) Normal and customary wear and tear.
- L) Non-Motorola manufactured equipment unless bearing a Motorola Part Number in the form of an alpha numeric number (i.e., TDE6030B).
- M) Processing of date data from, into, and between the year 2000 and the year 2001.

V. GOVERNING LAW

In the case of a Product, Battery or Cellular Battery sold in the United States, this limited warranty is governed by the laws of the State of Illinois and in the case of Product, Battery or Cellular Battery sold in Canada, this limited warranty is governed by the laws of the Province of Ontario.

Warranty Information

TO OBTAIN WARRANTY SERVICE:

Replacement Parts/Kits/Accessories/Batteries

To obtain warranty service on replacement parts/kits/accessories/batteries, the item must be delivered, transportation prepaid to:

Motorola
Radio Products and Services Division
Attn: Warranty Dept
2222 Galvin Drive
Elgin, Illinois 60123

Each shipment of returned items must include a Motorola Warranty Replacement Form, with each item being returned listed by quantity, type, frequency of code, defect code, radio model number and serial number (when returning items removed from a Motorola radio) sales or factory order number. Items returned with no manufacturer's date code will be assumed to be out of warranty and subject to charges for repair or replacement.

In the event that Motorola in its discretion elects to replace an item, and a replacement is ordered prior to the return of the defective product, credit for the defective product will be issued against the replacement order provided that the defective units covered by this warranty are returned within forty-five (45) days of the replacement order date and the replacement factory order number is properly provided. After 45 days, Motorola's sole obligation is limited to replacement of the defective unit covered by this warranty with a unit that meets original factory specifications, and credit cannot be issued.

Cellular Motorola Manufactured Accessories

Effective January 1, 2000, a new Limited Lifetime Warranty was instituted for the following accessories purchased after January 1, 2000: vehicle power adapters, carry cases, holsters, chargers (desktop bases and AC power supplies) and hands-free headsets. For all other accessories, and all accessories purchased prior to January 1, 2000, the warranty period begins on the date of the consumer purchase and lasts for twelve months. Proof of purchase documentation or the MSN/SN of the associated telephone determines the warranty period. Although the date codes are on some of the accessories or ancillary components such as batteries, there are no date codes on others such as antennas. Therefore, the best way to determine if an accessory is in warranty is to verify the consumer's proof of purchase. The proof of purchase documentation must be included for replacement under warranty. Accessories are not considered repairable.

Warranty policies for Cellular parts are indicated in the "Authorized Cellular Servicer Agreement". Test Equipment Motorola manufactured items, including service monitors, should be returned to the Test Equipment Service Center and processed per the Test Equipment Products Limited Warranty on the following page. Third party manufactured items should be returned to the facility designated by the Manufacturer. Motorola will notify the customer who to contact for warranty service of said items. For further information call:

In the U.S. and Canada: 1-800-422-4210
Outside the U.S: 1-847-538-8023
U.S. Federal Government: 1-800-826-1913

MOTOROLA TEST EQUIPMENT PRODUCTS LIMITED WARRANTY (EXCLUDES EXPORT SHIPMENTS)

Motorola Test Equipment Products, and Motorola Service Monitors, (herein the "product") that are manufactured or distributed by Motorola's Radio Products and Services Division are warranted by Motorola for a period of one (1) year from date of shipment against defects in material and workmanship. This express warranty is extended to the original purchaser only. In the event of a defect, malfunction, or failure during the period of warranty of a Motorola manufactured Test Equipment items, Motorola, at its option, will either repair or replace the product providing Motorola received written notice specifying the nature of the defect during the period of warranty, and the defective product is returned to: Motorola, Test Equipment Service, 2216 Galvin Drive, Elgin, IL 60123 transportation prepaid. Proof of purchase and evidence of date of shipment (packing list or invoice), must accompany the return of the defective product.

For a RETURN AUTHORIZATION – PLEASE CALL 1-800-323-6967.

Transportation charges for the return of the product to Purchaser shall be prepaid by Motorola. This warranty is void, as determined in the reasonable judgement of Motorola, if:

- A) The product has not been operated in accordance with the procedures described in the operating instruction.
- B) The seals on non-user serviceable components or modules are broken.
- C) The product has been subject to misuse, abuse, damage, accident, negligence, repair or alteration.

Many items manufactured by third parties are warranted directly by the manufacturer. In such cases customers may be put in direct contact with the manufacturer's service facility for warranty repair or replacement. In no event shall Motorola be liable for any special, incidental or consequential damages. In the event Motorola elects to repair a defective product by replacing a module or subassembly, Motorola, at its option, may replace such defective module or subassembly with a new or reconditioned replacement module or subassembly. Only the unexpired warranty of the warranty product will remain in force on the replacement module or subassembly.

EXCEPT AS SPECIFICALLY SET FORTH HEREIN, ALL WARRANTIES EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF FITNESS FOR A PARTICULAR PURPOSE OR MERCHANTABILITY, ARE EXCLUDED.

Radio Support Services

Responsive local or depot support options

Whether It's Local or Depot Support, Motorola Can Help.

Motorola offers a portfolio of Radio Services designed to assist in the maintenance of your Motorola two-way and iDEN portable and mobile radios. There are several options available that allow you to select the level of service you require. Our Radio Support Services include:

Radio Support Center (RSC)

Radio Repair: You can budget for repairs in advance by investing in a Motorola Radio Repair Service Agreement for just a few dollars a month per unit. Radios requiring service may be shipped to Motorola's RSC or you may choose to add Local Radio Support and have a Motorola authorized service facility perform minor fixes and if necessary, ship it to the RSC for you.

Radio Repair Bank: If you prefer to use the RSC's on-demand services, you can save by investing in a prepaid repair account. A discount on services is applied at the time of purchase. When on-demand services are performed such as flat rate or time and material repair, programming, upgrades, engraving, and physical damage the charges can be debited from your account. In addition, a Radio Repair Bank can help reduce your administrative work by eliminating the need to issue a purchase order or pay a bill each time a unit is sent in for repair.

Express Service Plus: At the time of radio purchase, or during the warranty, the RSC offers you the opportunity to seamlessly extend the service coverage for several additional years beyond the warranty period. If a radio needs service, simply ship it to the RSC.

Flat Rate Repair: Look to the Radio Support Center for support when you need it. Receive quality Flat Rate repair service immediately by making a copy of the enclosed Repair Request Form and inserting the completed form in the box with your equipment. Initiate a Repair Request on Motorola Online.

Engraving: Personalize your radio equipment by engraving it. Your radio is a valuable asset. If you have a large fleet of equipment, engraving can help you keep track of your assets. It can help clearly identify which department or individual is responsible for a radio.

Radio Preventative Maintenance: Radio Preventative Maintenance Services help preserve the health of your portable and mobile radios. Preventative Maintenance Services provide a comprehensive check out of the equipment at our Radio Support Center to ensure that it meets manufacturer's specifications. Preventative Maintenance is important because it helps detect potential problems before they develop. It reduces the possibility of equipment failures, while helping prolong the life and performance of your portable and mobile communications equipment.

For questions or pricing on RSC Services:

- Visit us on the web at:
<https://www.motorola.com/businessonline>
- Call our Customer Business Analysts at: 1-800-227-6772
- Contact your Account Representative or Customer Support Manager

Local Radio Services

Local Radio Support: If you prefer local service support, your radios can be serviced by a local, Motorola trained and authorized service facility. In addition to providing the service and repair of radios, local Motorola authorized service facilities may provide such options as onsite and annual preventive maintenance services to meet your radio servicing needs.

To locate a local Motorola authorized service facility for immediate local repair:

- See your yellow pages
- Call our Motorola Radio Products and Services Division's Customer Service at 1-800-422-4210

Please note:

- Program terms and conditions apply.
- Pricing and terms and conditions are subject to change without notice.
- Motorola's Radio Support Center Services Terms and Conditions are available for you to reference on Motorola Online <https://www.motorola.com/businessonline>

Utilizing your personal computer, Radio Service Software (RSS)/Customer Programming Software (CPS)/Customer Configuration Software (CCS) enables you to add or reprogram features/parameters as your requirements change. RSS/CPS/CCS is compatible with IBM XT, AT, PS/2 models 30, 50, 60 and 80. Requires 640K RAM. DOS 3.1 or later. Consult the RSS users guide for the computer configuration and DOS requirements. (For HT1000, MT/MTS2000, MTX838/8000/9000, Visar and some newer products — IBM model 386, 4 MEG RAM and DOS 5.0 or higher are recommended.) A Radio Interface Box (RIB) may be required as well as the appropriate cables. The RIB and cables must be ordered separately.

Licensing: A license is required **before** a software (RVN) order is placed. The software license is site specific (**customer number and ultimate destination tag**). **All sites/locations must purchase their own software.** Be sure to place subsequent orders using the original customer number and ship-to-tag or other licensed sites; ordering software without a licensed customer number and ultimate tag may result in unnecessary delays. To obtain a no charge license agreement kit, order RPX4719. To place an order in the U.S. call 1-800-422-4210. Outside the U.S., FAX 847-576-3023.

Subscription Program: The purchase of Radio Service Software/Customer Programming/Customer Configuration Software (RVN & HVN kits) entitles the buyer/subscriber to three years of free upgrades. At the end of these three years, the subscriber must purchase the same Radio Service Software kit to receive an additional three years of free upgrades. If the subscriber does not elect to purchase the same Radio Service Software kit, no upgrades will be sent. Annually a subscription status report is mailed to inform subscribers of the RSS/CPS/CCS items on our database and their expiration dates.

Notes:

- 1) A subscription service is offered on "RVN" -Radio Service Software/Customer Programming/Customer Configuration Software kits only.
- 2) "RVN" software must only be procured through Radio Products and Services Division (RPSD). Software not procured through the RPSD will not be recorded on the subscription database; upgrades will not be mailed.
- 3) Upgrades are mailed to the original buyer (customer number & ultimate tag).
- 4) SP software is available through the radio product groups.

The Motorola General Radio Service Software Agreement is now available on Motorola Online. If you need assistance please feel free to submit a "Contact Us" or call 800-422-4210.

Exchange Program

To obtain the exchange price you must forward defective units from the same product as ordered to Motorola's Radio Products and Services Division along with a separate order for replacement units. Please note on your order that units are being returned to obtain exchange prices. For expeditious order processing do not include other items not listed in the Exchange Program on a module order when requesting exchange prices. Exchange prices cannot be honored unless the defective items are in the possession of Motorola Radio Products and Services Division at the time the order is processed.

The standard price will be billed on any order not accompanied by the defective exchange unit. There is no equal and off-setting credit program. Do not include out-of-warranty with in-warranty modules.

Note that prices indicated are subject to change and the exchange program may be cancelled at any time without prior notice.

Please contact Motorola's Customer Service Department at **1-800-422-4210** if you have any questions pertaining to parts or kits included on the following lists.

Send Exchange Program Product and Order Forms to:

Motorola
Radio Products and Services Division
Attn: Exchange Program Coordinator
2222 Galvin Drive
Elgin, IL 60123

Exchange Program

In addition to completing an order form, the below information must be completed and returned to Motorola's Radio Products and Services Division with the defective units(s). Please provide all information requested below:

Note: Each unit submitted to the Exchange Program requires a separate order form.

Customer Information _____

Company Name _____

Shipping Address _____

Customer Number _____

Contact Name (for technical questions) _____

Phone Number _____

Ordering Information

Part Number _____

Model Number of Radio: _____

Flash Code Number (If applicable): _____

Note:

- 1) Model numbers are available on the label on the back of the radio.
This is a 12-digit number.
- 2) Flash codes are listed on the label on the back of the radio (i.e. MFG CODE).
If the radio has a display, the flash code can be read off the display by placing the radio in test mode. It can also be read using RSS software. This is a 13-digit number.

For Internal Use Only
