When using a Motorola Portable test set to meter a "Motrac"®, "Business Dispatcher", or "Mocom · 30"® Mobile FM Two-Way Radio, or Alert Monitor receiver the Model TKN6025A Adapter Cable must be used. The adapter cable has an 11-pin female receptacle on one end and a 12-pin male plug on the other end. Connect the 11-pin receptacle to the test set metering cable and the 12-pin plug to the metering socket of the transmitter or receiver of the radio set.
